

WEST END CLEANING PROJECT

About the Project

Boodarie Contracting are contracted to BHP as a Pilbara Aboriginal Business on the West End Cleaning Project. As part of its dust mitigation plan BHP WAIO has been running a cleaning program in the West End of Port Hedland over the last five years and this Project is a continuation of the program.

The program involves the scrubbing and pressure cleaning of various footpaths, walkways, walls, signs, playground equipment and street furniture within the West End and Don Rhodes Park.
